1. Client basics

Client name	Tier (Monthly / Quarterly / Business Mgmt)
Primary contact + email	Industry
Books in (QBO / Google Sheets)	Basis (Cash / Accrual)
Entity type (S-corp, LLC, etc.)	State
Owners + ownership %	How owners get paid (W-2, draw, entity)

2. Goals + targets (what we score against)

Monthly revenue goal	Cash collected goal (% of billed)
Overhead target (% of revenue)	Ops / job cost target (% of revenue)
Profit target (% of revenue)	Owner pay target per month
Tax set-aside % (company / owners)	Next goal the owner is chasing
Current 90-day constraint (Leads / Conversions / Capacity / Cash / Leakage)	
Focus metric for this quarter + target	

3. Recurring money out (so Surplus is right)

Loans: lender, payment, due date
Big fixed bills (rent, insurance, software)
Known money leaks to watch
